

Appl. No. 09/751,577
Amdt. dated August 13, 2003
Amendment under 37 CFR 1.116 Expedited Procedure
Examining Group

PATENT

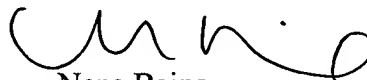

REMARKS/ARGUMENTS

Applicants have amended the specification so that it correctly disclaims prior cross-reference to U.S. Patent Application No. 09/466,353. In particular, there is no continuity of inventorship between the present application and the cross-referenced '353 application. Hence, the present application is not entitled to the benefit of priority from the '353 application as the requirements under 35 U.S.C. § 120 have not been fulfilled. The entire delay in disclaiming priority was unintentional.

CONCLUSION

If for any reasons the Examiner believes a telephone conference would in any way expedite resolution of the issues raised in this amendment or the concurrently filed appeal, the Examiner is invited to telephone the undersigned at 415-273-8317.

Respectfully submitted,
